

# Proven Practices by PowerSchool

**Proven Practices by PowerSchool offers high-quality, research-based professional learning focused on meeting the diverse needs of districts, educators, and students.**

Our team members have years of experience as superintendents, curriculum directors, school improvement specialists, instructional coaches, technology directors, principals, and veteran classroom teachers. We can align our professional learning offerings with your PowerSchool solutions, but this is not a requirement for working with our team.

## The Proven Practices team is committed to:

- Improving student learning and achievement
- Facilitating and inspiring professional growth with districts, educators, and students
- Modeling and sharing best instructional practices
- Providing relevant, effective, and individualized coaching

## Our areas of expertise include:

- Assessment
- Attendance and Family Engagement
- Coaching
- Curriculum
- Data Analytics
- Equity and Anti-Racism
- Innovation
- Instruction
- Leadership
- PBIS Positive School Culture
- Social Emotional Learning (SEL)
- Special Education
- Trauma-Informed Schools
