## THE NEW HOME OF PROFESSIONAL DEVELOPMENT PLUS (PD+) TRAINING!

PowerSchool's Professional Development Plus (PD+) training library is moving! All of the amazing, self-paced, eLearning training offerings that PD+ subscribers have been enjoying through the PowerSource platform will soon have a new home on the Customer Education Campus.

All new and existing PD+ users will receive a welcome email with Campus login instructions so they can take advantage of these exciting new benefits:

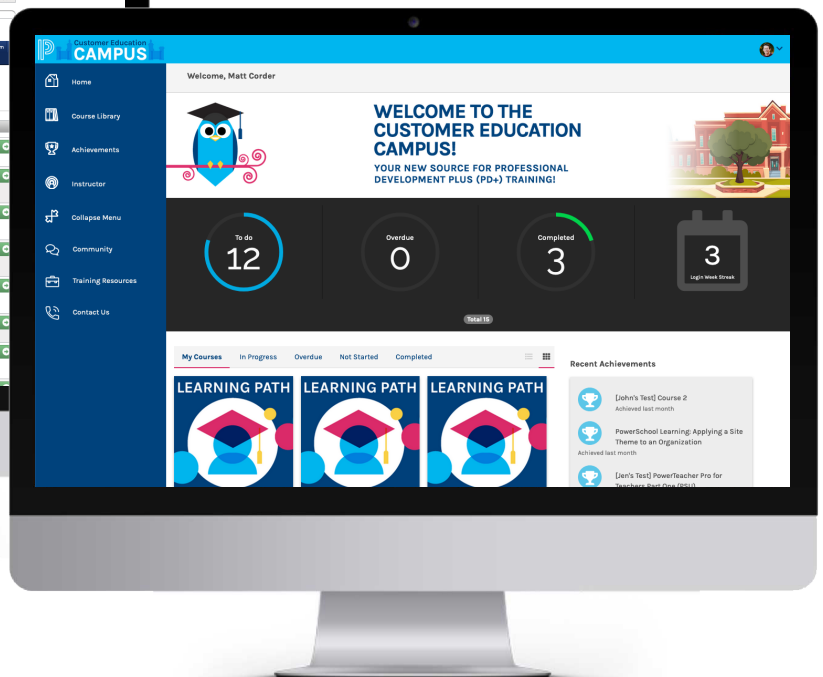

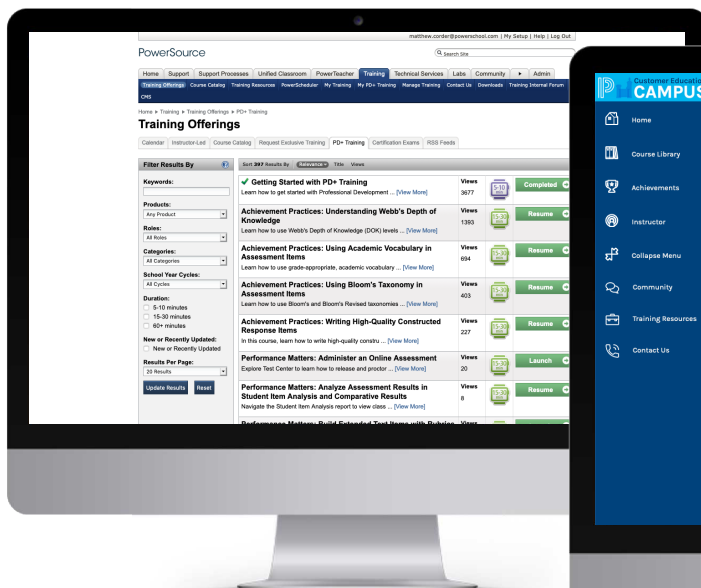

**Expanded access for all district users regardless of their PowerSchool product**

**Personalized training with role-based learning paths and achievement dashboards**

**Built-in reporting tools and downloadable certificates of completion**

**Modern, user-friendly interface is easy to navigate for an improved learning experience**
