[E-Learn] E-Learning Consent and Expectations

Solutions to be Used

Platforms for Daily Use:

- K-2 will use INSERT NAME OF PLATFORM for their daily learning engagements and parent interactions.
3-5 will use INSERT NAME OF PLATFORM for their daily learning engagements
6-12 will use INSERT NAME OF PLATFORM for their daily learning engagements
All General Ed. teachers will use TOOL NAME to provide daily video conference opportunities.

Communications between students and teachers will happen within these tools and email through district provided email addresses.

Daily Learning Expectations

Parents will:

- Monitor their students' use of the internet and learning tools
Provide the best possible learning space
Encourage completion of as many learning activities as possible within the district assignments

Consent to Online Instruction

Online Learning
I understand that my student, {{lastfirst}} will be participating in online learning. I further understand that access to the internet is provided at home and is not and cannot be monitored by school officials. I understand that online tools and services will be provided to my student that contain communications elements that may allow my student to communicate with external entities.

Parent Consent: *

- I consent to my child's participation in E-learning as directed by the district and hold harmless the district for outcomes of such activities.
- I do NOT consent to my child's participation in E-Learning and understand that this will impeded the delivery of curricula to my student

Home Internet

We have internet in the home where my child will participate in E-Learning *

- Yes
- No

Internet Type: *

- Broadband (15Mbps or higher)
- Broadband (5Mbps or higher)
- DSL
- Cellular
- Dial Up
