Live Webinar: Fueling a Better Future for HigherEd

Join us Thursday, November 17, at 12 PM ET / 11 AM CT / 9 AM PT for a live webinar, Data Analytics and Insights: Fueling a Better Future for HigherEd. Learn how having access to the right analytics - and deriving actionable insights from that data - can benefit every area of your institution and help your team tackle the challenges facing HigherEd today.

Hear from HigherEd insiders and experts as they share the impact of data analytics on HR and talent management, DEI initiatives, and faculty teaching and research performance. Plus, qualified attendees will receive a free GrubHub gift card!

Tips for HigherEd HR Compliance

HR compliance is complicated, and it's also a vital aspect of human resources work. In the world of HigherEd, HR compliance is often especially complex for schools dependent on state or federal budget dollars. Keeping up with requirements, keeping track of all your information, ensuring accurate historical records, and maintaining standardized hiring practices.
