## Announcing the Agenda for PeopleConnect Live!

Join us in Austin, TX on May 24-25 for the HigherEd learning and networking event of the year! Take a look at our [preliminary agenda](#) to see the insights you can bring back for your team. If you're ready to join us but still need the go-ahead from your institution, use this [approval letter template](#) that highlights the actionable benefits of PeopleConnect. Plus, check out what one of [last year's attendees](#) had to say about the event!

SAVE YOUR SEAT!

### Ensuring Equitable Hiring in HigherEd

Join us on Tuesday, March 21 at 10 AM PT / 1 PM ET for our webinar, Ensuring Equitable Hiring in HigherEd. This webinar will provide insight and best practices on bringing inclusivity to recruiting and hiring processes. You'll hear from HigherEd leaders and solution experts on how to optimize

tools in order to ensure equitable hiring at your institution.

REGISTER NOW

## Interoperability for Institutional Success

Join us on Thursday, April 27 at 10 AM PT / 1 PM ET for a webinar on Connecting Your Campus: Interoperability for Institutional Success. We're breaking down the importance of interoperability for the non-techie HigherEd professional during this webinar. Learn from leaders who are committed to bringing efficiency and

innovation to their administrative teams in order to drive institutional success and discover tools that unify processes across campus

## Developing a HigherEd Employment Brand

As colleges and universities increasingly compete for talent with the corporate sector, we can no longer rely on the traditional talent pipeline. It's important that hiring teams start adopting recruitment marketing techniques. Discover best practices for building an employment brand and how to highlight your institution with an employee value proposition.

## Making HigherEd Search Committees More Efficient

Search committees have long been part of the hiring process for roles across colleges and universities. Creating effective search committees can be difficult, but search committees don't necessarily mean your hiring process has to be less efficient, effective, and streamlined. With customizable tools and the right tactics, you

can drive adoption at your institution and make search committees part of a truly efficient recruitment process. Check out our tips for making search committees effective and efficient.

## Performance Management: More Than a Yearly Review

Performance management is more than just a yearly review - it's a retention technique and a chance to encourage growth among your staff and faculty. A good performance management program can keep employees feeling engaged, encouraging growth and increasing retention. So how can you build out your performance management program to have a real impact on your campus? Check out some of our tips in our recent blog post.
