PeopleAdmin Partners with the Foundation for California Community Colleges CollegeBuys Program

PeopleAdmin recently announced a partnership with the Foundation for California Community Colleges CollegeBuys program to streamline the procurement process and pass along pre-negotiated

savings to colleges and universities across the state.

CollegeBuys allows California HigherEd institutions to avoid long procurement processes by providing legally compliant agreements with fully vetted partners, **now including PeopleAdmin**. Plus, standardized pricing agreements ensure that colleges are getting the best pricing, terms, and service agreement possible.

Coming Soon: Role-Based Permissions for FIS

Academic leaders utilizing the Faculty Information System (FIS) will soon have a new interface for creating roles and customizing permissions, giving even more protection to sensitive promotion and tenure review documents. Whether defining roles for faculty, chairs, or deans—the interface will offer dozens of permissions so that each role is given a focused view and efficient workflow.

Get More Out of PeopleAdmin

The Faculty Information System (FIS) now has short how-to videos. Faculty and administrators can access these videos on-demand in My Portfolio to learn how to complete common tasks within FIS, such as setting up committees to creating faculty cases.
