Summer Maintenance

Reminders

New for 2023:

Site will be automatically updated to the PowerSchool Design System layout (PDS) after the Snapshot

OLA Student Status replaces OLA Student Admin

Assessment Manager replaces Test Center

What do I need to do BEFORE the rollover?

Freeze Dates

Freeze Schedule Data On

Calendar Date

Freeze Attendance, Grades, and Discipline

Calendar Date

Take End of School Year Snapshot

Calendar Date

Re-run Snapshot

Roll Date

Calendar Date

Run Post Roll Script

Verify Student Data

It is **NOT POSSIBLE** to change Common Assessment data in archive sites. For this reason, it is important to verify that all vital data is accurate.

Early Warning System

Ensure display end date is set for **3 years** beyond the current year and that all indicators are showing in Baseball Card

Edit Indicator Rule ⓧ

List the labels you would like to show for users: (50 characters max) *

What is the threshold count for this indicator? *

Select the specific Attendance code(s) from your SIS to target *

What time frame would you like the rule to be applied? (i.e YTD, Quarter, Semester, Month, etc.) *

 to

What time frame would you like the data measures display to users? *

 to

* Required Fields Cancel Update

Verify Student Data

Intervention

- Spot check a few interventions to ensure they have expected and accurate data

PMP

- Look for ACTIVE rules and deselect them

SLO (Demo on next PowerUp)

- Verify all SLOs have a score and are not Pending

Summer School Considerations

Option 1

**Recommended Best Practice

Performance Matters can be used for Summer School testing.

What do I need to do AFTER the rollover?

Post Roll Reminders

Baseball Card

Permission locks on folders are refreshed

Course Type Override

Check for Unassigned and ensure all active classes are assigned a course type

Data Files

Update the school year on SFTP files for: Schedule, Attendance (Daily and Meeting), Student Grades (Current)

Organization Calendar

Update with first day, last day and any days off

Early Warning System

Update to current school year and change display end date for 3 years out

Progress Monitoring Plan

Make rules Active

What else should I be doing over the summer?

- Performance Matters with PowerSchool SIS Roll Documentation
- Performance Matters Roll Documentation (non-PowerSchool SIS)

Pre-roll Information and Tasks:

Review the information and complete the tasks below *prior to the roll* to the new school year.

Enter Dates in School Year Roll Settings:

The school year roll process is automated so that organizations control timing, and the Support team is available for guidance.

To access the **School Year Roll** page, click on your initials and select **Manage Organization**. Click the **School Year Roll** option on the left. Notice that the page populates with default dates. These dates should be updated for your organization. Please read below for details about each date.

Freeze Schedule Data On Date:

- Make sure that this date is **PRIOR** to when **seniors are made inactive in PowerSchool SIS**
- The nightly build on the date chosen will be the date when the core files (student, teacher, schedule, and course) will **no longer be automatically imported**
- Adjustments can be made **at least 24 hours in advance of the date** that is currently populated by clicking in the cell and selecting a new date
- To verify this process completed:
 - Click on **Admin** and select **Log View**
 - Click on the **Auto FTP Mapping View** tab
 - Search for the core files and verify Set Automatic Import says **“Off”**

Freeze Attendance, Grades, and Discipline:

- Verify that all attendance, grades and discipline data in your site is accurate
- Set this date for **at least two days after grades are due** from staff
- Adjustments can be made **at least 24 hours in advance of the date** that is currently populated by clicking in the cell and selecting a new date

The screenshot shows a web interface with four date selection fields, each with a calendar icon to its left. The fields are labeled as follows:

- Freeze Schedule Data On:** Calendar Date field with the value 05/27/2023.
- Freeze Attendance, Grades, and Discipline:** Calendar Date field with the value 06/24/2023.
- Take End of School Year Snapshot:** Calendar Date field with the value 09/12/2023.
- Roll Date:** Calendar Date field with the value 09/13/2023.

Performance Matters Learning Journey

Ongoing Professional Development Services

PowerSchool has a professional development journey you can take to ensure success with your Performance Matters solution! Choose from a variety of professional development offerings based on the latest educational research, using strategies that have been proven to elevate professional practices.

The journey includes offerings that are tailored to specific waypoints along the learning path and offerings that can be beneficial at any stage of your development.

Performance Matters Program

Join us on an adventure to build assessment and reporting capacity across your organization with the Performance Matters Program using Schoology Learning. The Performance Matters Program is delivered via a blended model using the Schoology Learning platform for content sharing and asynchronous instruction.

Transform classrooms while delivering personalized data-driven instruction, managing progress for all students, and assessing student progress to address instructional gaps.

Model best practice to combine face-to-face, synchronous, and asynchronous sessions to gain a deeper understanding of comprehensive assessment management.

Ensure teachers of younger learners have the tools they need to quickly and easily observe and record student performance.

Use analytics for better student outcomes to create and share reports with your staff easily and securely.

Become a PowerSchool Champion!

PowerSchool Champions connect, share and learn with others in solution-specific communities. We share our expertise as teachers, administrators, technology directors, or talent leaders. We engage in interesting activities to accumulate points, collect badges, and earn fantastic rewards. Joining the Champions community provides:

- **Community** • Join an exclusive group of school and district leaders
- **Engagement** • Share your expertise and give product feedback
- **Opportunity** • Earn rewards like swag, cool opportunities, event attendance, and more
- **Growth** • Advance professionally, build your PLN and increase your Ambassador Program eligibility
