

Perform

- **A teaching portfolio is a collection of artifacts or documents to support best practices that reflect how the teacher is evaluating their teaching.**
- **The portfolio contains the results to support the professional growth of the teacher aligned to the evaluation or education framework model.**
- **The selection of the high-quality artifacts is driven by the specific criteria against which the portfolio will be assessed.**

Pre-planning for Using the Evidence Feature in Perform

- Rubric (optional)**
- Teacher Support**
- Administrator Support**

What are teachers currently doing with their portfolios?

- My Folder
- Signatures

- Tasks
- History
- Attachments
- Profile
- Evidence

#	Task	Process	Scheduled
---	------	---------	-----------

You currently have no incomplete tasks for the selected school year.

i Completed forms and tasks can be found in the History tab
