Q & A

\*If you do not see Badges in your banner options, you can submit a support ticket to request

# What Are Badges?

- Badges can be used to track Professional Development beyond individual course completion.

# Main Ways Badges Are Used

## Gamification

- Easy to earn, Fun to collect, Friendly competition

## Achievement Badge

- Less easy to earn, Carry some weight beyond the badge itself

## Micro-Credential

- More difficult to earn, More value is placed on them from the district level

The more effort to earn a badge, the more value placed on the badge

# Types of Badges

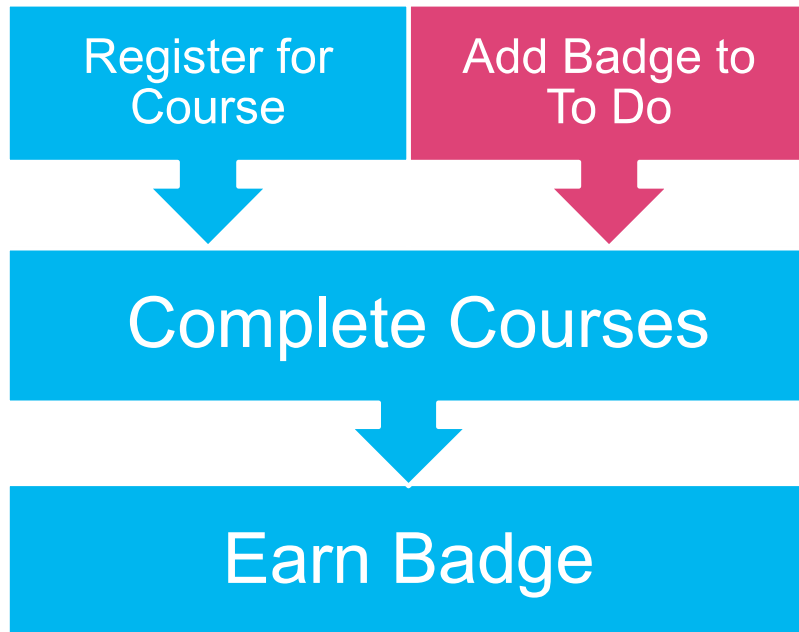

## Automatic

- Badge is automatically added to the user once the required courses for badge have been completed

## Manual

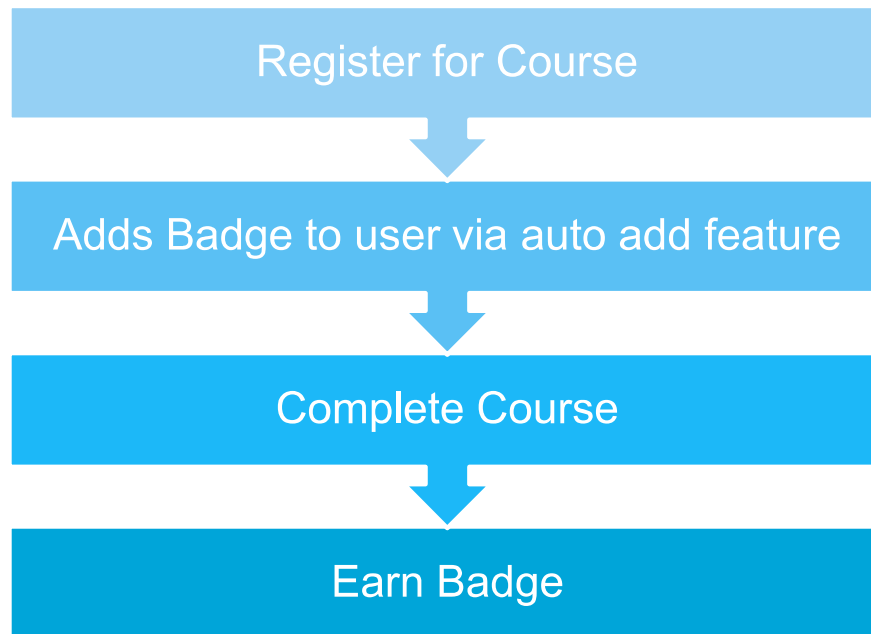

- Needs final approval once the required courses for the badge have been completed
- Usually requires evidence
- \*Approver must be the Badge Creator or a Badge Super

# Manual Assigning

The screenshot shows a user interface for course registration. At the top, there are two icons: a thumbs-up icon labeled 'Credit' and a back icon labeled 'Views 4'. Below this, there is a section for course details: '10/01/2022 @ 10:00 pm', a chair icon labeled 'Seats:8 left of 10', and a blue 'Register' button highlighted with a red box. Below the course details, there is a badge section for 'Curriculum Developer'. It features an orange shield icon with three stars, the text 'Curriculum Developer', 'Created by Administrator, PowerSchool', and 'Curriculum Developer badge'. At the bottom of this section, there is a blue button with a plus sign and the text 'Add to My To-Do', also highlighted with a red box.

# Automatic Assigning

Credit Views 4

10/01/2022 @ 10:00 pm Seats: 8 left of 10 Register

# Auto Assign in Action

## Example: Create a Badge for Playlist Completion

Build a Playlist with required or optional courses

Build a Badge to match requirements

Badge is automatically assigned during registration for first course, and earned once final course is completed
