

Technical Solutions Group ERP Update Subscription Service

BusinessPlus | eFinancePlus

We work nights and weekends so you don't have to!

The PowerSchool Technical Solutions Group (TSG) now offers the ERP Update Subscription Service (USS) to assist you with the management of your BusinessPlus and eFinancePlus instances. Subscribe now for **unlimited monthly updates** to the latest maintenance, escalation, and feature releases to your existing ERP servers.

Services delivered remotely by a TSG Systems Engineer:

- Unlimited monthly PowerSchool product version updates to ERP servers
- All BusinessPlus and eFinancePlus Compliance/Tax Updates
- Review of the desired deployment including infrastructure readiness, network topology, compliance with minimum system requirements, and service-related deliverables and schedules
- Deploy the most recent monthly update available unless otherwise directed or perform a version upgrade by applying a feature release
- Validate environment is accessible upon completion
- The Client retains the full control and decision-making authority to determine if and when their environment is updated with a new release
