

Professional Development Plus (PD+)

Paving the Way to Customer Success in the Remote Learning Revolution

In an educational environment that is shifting from in-person to online learning, you may be wondering how you can effectively learn about your PowerSchool solutions.

The answer is Professional Development Plus (PD+)! Over 200,000 of your fellow PowerSchool users are currently taking advantage of all that a PD+ training subscription has to offer, including 24/7 access to role-based learning paths, interactive courses, and just-in-time tutorials.

24/7 Access

Access to training is convenient and on demand. Users can choose to learn when it fits into their busy schedules.

User-friendly Interface

Access self-paced courses and videos through Customer Education Campus, PowerSchool's learning management system that's 100% dedicated to training so it's easy to find the content you need.

Management Features

Leaders can assign courses and use built-in reports to track completed training, ensuring that staff are prepared to use their PowerSchool solutions successfully.

632%

Year-over-year increase in usage of PD+ training by PowerSchool customers

Use Customer Education Campus' Learner Dashboard to manage your training curriculum and achievements.

Self-Paced Courses

Interactive courses include demonstrations, hands-on activities, and assessments.

Video Tutorials

Video tutorials provide quick answers on how to perform a variety of tasks.

Role-Based Learning Paths

Collections of PD+ courses and videos recommended for your job role that take the guesswork out of building your curriculum.

Take a look at what some of our current PD+ users are saying:

“Although I've been using PowerSchool for years, this training definitely taught me some new tricks!”

ALEXANDRA TING

Dillingham City School District, AK

“I like seeing different ways to get into reports I am currently using in Powerschool and knowing different screens to get the same information.”

PAULA MANOCCHIO

Scituate Public Schools, RI

“Everything was really clear and organized. The graphic design and illustration is great! I love the use of videos instead of just having to read everything, and I love the interactive exercises to check for understanding.”

KACY KUBELDIS

Harbor Creek School District, PA

“Best training I have received in over ten years.”

JENNY LUTTRELL

New Albany Floyd County Consolidated Schools, IN

So whether you need to train all of your teachers how to use their gradebooks or to bring a new system administrator up to speed, PD+ is your pathway to success!
