

PSU for Canada 2024

Two Ways to Attend a PSU Event In Person!

PowerSchool University (PSU) is excited to bring you two ways to train with us this year! Join us in Seattle this July, or Toronto this October! With two brand-new offerings, there is something for everyone based on training needs, courses offered, and networking opportunities, just see for yourself!

PSU Next at EDGE

PSU Next at EDGE showcases our most popular PSU end-user courses and brand-new programs. Select the PSU Next program sessions and courses you wish to take, as well as sessions offered at EDGE.

Exciting New Programs:

- Guardians of Data: PS Data Security in the Digital Realm
- Leveraging the Power of AI for Education
- Mastering PowerSchool Reporting
- PowerSchool SIS Customizations Academy
- And More!

PSU Engage 2024

We're growing PSU Toronto with an expanded event that combines instructor-led training with networking opportunities.

Here, we'll have two-hour training sessions paired with:

- Guest presenters
- Project and activity-based small groups
- Canadian-expert certified trainers
- Extended course catalog
- Access to digital curriculum
