Live Webinar: Best Practices for Faculty Recruitment and Retention

Join us on June 29th at 10:00 AM PT / 1:00 PM ET for a live webinar, Best Practices for Faculty Recruitment and Retention. Faculty are some of the most important hires a college or university makes, often with a considerable investment of time and resources. This session will give you the tools you need to compete for top faculty talent, reach more diverse candidate pools, provide them with the support and planning to avoid burnout, and involve them in transparent decision-making to drive retention at your HigherEd institution.

Avoiding HigherEd Employee Burnout

Avoiding HigherEd Employee Burnout

Employee retention should be a top priority for colleges and universities today. Turnover is costly and, with a highly competitive hiring market, it's more important than ever to keep the employees you have. However, HigherEd faces unique challenges when it comes to employee retention. Check out our blog post for some HigherEd-specific strategies that tackle staff and faculty burnout, reduce turnover, and increase retention.
