Updated look and feel

The screenshot displays the 'New Item' editor interface. At the top, there is a 'New Item' header with a status indicator 'In Progress'. Below this is a 'Properties' section with a 'Build' tab selected. The main workspace contains a rich text editor toolbar with options for font, size, bold, italic, underline, strikethrough, subscript, superscript, text color, background color, text alignment, list creation, indentation, quote, link, unlink, and table insertion. A 'Save' button is located at the bottom right of the workspace. On the right side, there is a sidebar titled 'Interactions' which lists various interaction types under the heading 'Auto Scored Interactions': Associate, Choice / Multi Response (with a sub-option 'With Conditional Scoring'), Gap Match, Gap Match Place (with a sub-option 'Use with Gap Match'), Graphic Gap Match, Graphing (Beta), Hot Spot, Hot Text, and Hot Text Place (with a sub-option 'Use with Hot Text').

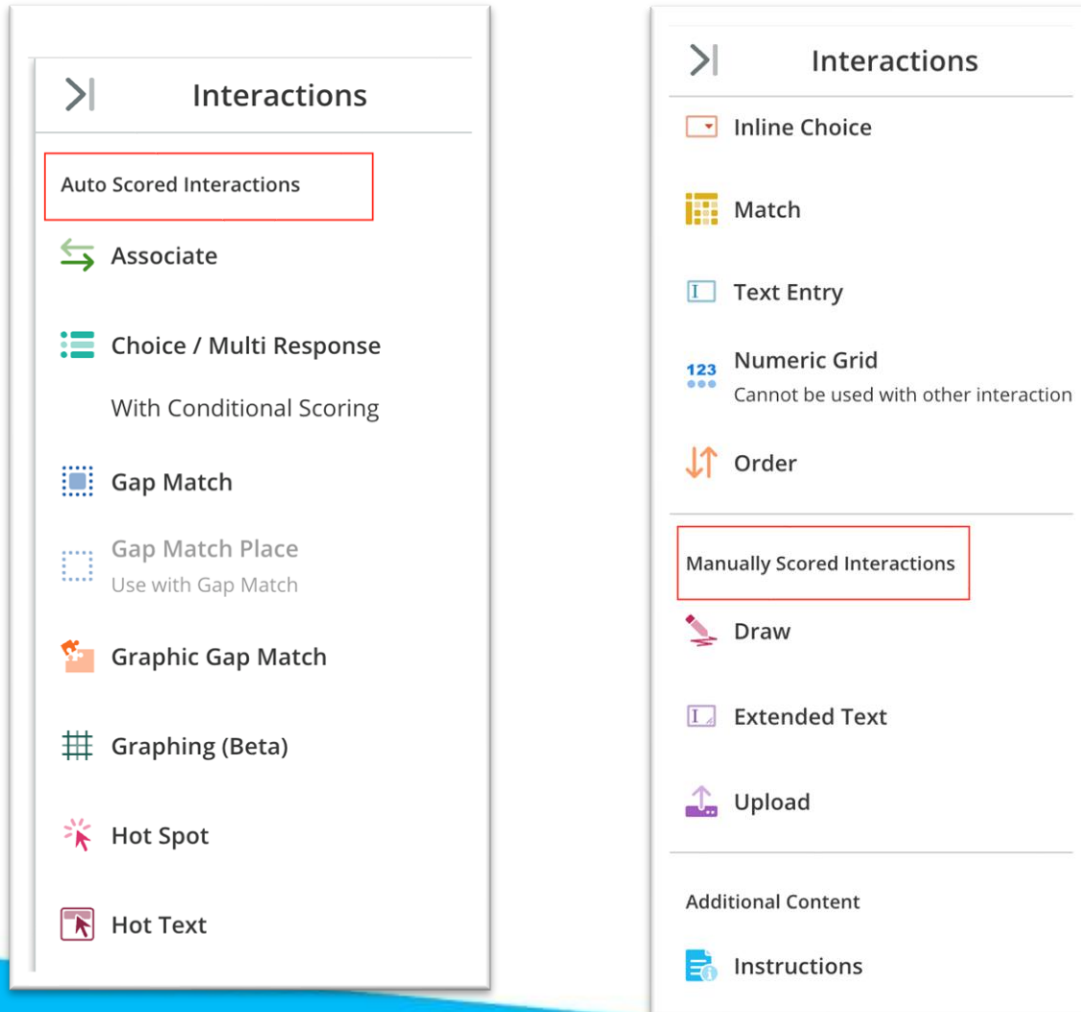

Easier and Faster Item Bank Selection

With this new functionality:

- Quickly find and save to an item bank

Reorganized interactions selection and content formatting

Interactions-specific menu

- Organized by auto-scored interactions and manually scored interactions

Improved Rubric Workflow

Add rubric directly from instructions

The screenshot shows the 'Build' tab in the PowerSchool interface. At the top, there are tabs for 'Properties' and 'Build'. Below the tabs is a rich text editor toolbar with various icons for text formatting (bold, italic, underline, strikethrough, subscript, superscript, text color, background color, text alignment, list, link, unlink, quote), media insertion (image, video, audio, document), and other tools like undo, redo, and a help icon labeled 'Examples'. The main content area is titled 'Instructions' and contains three sections: 'Author Notes' with a text input field and a note that these are only for authors; 'Contents' with a list of rubrics, where '54915 Overall Writing Science' is selected; and 'Permissions' with checkboxes for 'Scorer' and 'Student', both of which are checked. A blue 'Add Rubric' button is located below the rubric list, with a note that rubrics can only be used with Draw, Extended Text, or Upload.

Become a PowerSchool Champion!

PowerSchool Champions connect, share and learn with others in solution-specific communities. We share our expertise as teachers, administrators, technology directors, or talent leaders. We engage in interesting activities to accumulate points, collect badges, and earn fantastic rewards. Joining the Champions community provides:

- **Community** • Join an exclusive group of school and district leaders
- **Engagement** • Share your expertise and give product feedback
- **Opportunity** • Earn rewards like swag, cool opportunities, event attendance, and more
- **Growth** • Advance professionally, build your PLN and increase your Ambassador Program eligibility
